

SCHOLARSHIP APPLICATION: SUMMER 2024 ESPORTS CAMPS

Dubuque Esports League's (DEL) donors contribute to a scholarship fund that provides full or partial scholarships for youth who need financial assistance to participate in Dubuque Esports League Esports & STEM Camps.

Instructions for Parents/Guardians- Please read these scholarship guidelines carefully. Please note that all information is kept strictly confidential, is only shared with the members of the scholarship committee, and all financial information is shredded after the scholarship committee reaches its decision.

Application process:

Step 1 – Fill out and submit this Scholarship Application to admin@dbquesports.org.

Step 2 – Wait for emailed written acceptance notification from Dubuque Esports League

Step 3 – If awarded a scholarship, follow instructions included with notification on how to register for camp

- If you do not follow the application process steps, and later need to cancel a camp registration you made prior to the scholarship award, you will be held to the camp cancellation policy. Refer to the Dubuque Esports League website for information on the cancellation policies.
- Applications are for summer camp only. The committee will begin awarding scholarships on **May 1**.
- Scholarship applications are reviewed and eligible awards given in the order in which the applications were received. The number and amounts of scholarships awarded are dependent on the availability of funds.
- Applicants will be notified of the committee's decision in writing by Dubuque Esports League via mail or email. Scholarships are non-transferable.
- An application must be completed for each child interested in attending camp on scholarship. Applications for siblings will each be considered individually.
- Please complete all sections of this form and attach all required documents. Incomplete applications will not be considered.
- Scholarships for camp are awarded based on financial need. Need is determined using guidelines set by the federal government. Extenuating circumstances may be taken into consideration such as illness, loss of job, foster care, death of wage earner, etc.
- Scholarship awards are on a sliding scale based on the non-member day camp registration fee. For example, based on 2023 guidelines, a family of four making up to \$45,000 yearly would be eligible for a full, 100% scholarship. Families with higher incomes may be eligible for partial scholarships.
- Scholarship funds may only be used to cover camp registration fees.
- Completed applications must be received a minimum of 30 days before the camp week you want your youth to attend and are subject to space being available in the requested camp.
- If a scholarship is awarded, we ask that you please send a thank you note that can be shared with scholarship donor(s).
- Please review our website for general camp guidelines.
